GURUKULA TRAINING CENTER OPENS ITS DOORS IN TRASCCON!

The future is bright! Our Gurukula Training Center opens its doors in Trasccon, welcoming its inaugural class of 16 aspiring Technicians.

02/05

We Are Ready

"Gurukula training is inspired by Japanese DOJO training. A person who is going to work in a company (in any department) needs to know about the work both theoretically and practically beforehand. These sessions are particularly important for new joiners as part of their induction, and for seniors, we will verify effectiveness every six months."

Thanks for Joining SuryOjasvi Group of Companies

In a month of June, we're excited to welcome 45 talented individuals to the SuryOjasvi Group! Your contributions will be key to our success.
